Frontend Developer

PORTFOLIO

Hi, I'm Achmad Musyaffa Taufiqi!

My name is Achmad Musyaffa Taufiqi, and I am a Fullstack Developer Freelancer. I pursued my education in Informatics Engineering at Narotama University, where I excelled with a grade point average of 3.86.

As a Fullstack Developer, I have a strong skill set in both front-end and back-end development, allowing me to create functional and visually appealing websites and applications. I enjoy the flexibility of freelancing, which enables me to work on diverse projects and collaborate with various clients. I am passionate about staying updated with the latest technologies and delivering high-quality solutions that meet the unique needs of each client.
